

## MICHIGAN COLLEGE INFORMATION GUIDE

Updated Spring, 2015

The grade point average (GPA) listed on your transcript includes every class you have taken. Many of the college GPAs listed below take into consideration only the subjects of English, Mathematics, Science, Social Studies, and Foreign Language. Therefore, your grade point average should be used only as a guide in considering your acceptance for a particular school.

The material listed below is from our most up-to-date informational resources. Please be aware that the stated minimums are not exact criteria for acceptance. The difficulty of your high school class selections, your intended college major, unusual personal circumstance, etc. may raise or lower these minimums.
